Gift of Reading

2nd grade classes will welcome guest readers next Monday afternoon (December 16) at 1:45-2:45. If you are a registered volunteer, and you would like to join us to read to a small group of students, please email me or use the school sign up link.

We will only have Gift of Reading homework the next 2 weeks. Be sure to sign your child's reading log each day.

Curriculum this Week

Math

We continue with our unit on 3 digit numbers this week. Students will practice skip counting with 3 digit numbers, and using a number line to show their thinking. Please continue to practice telling time and working with arrays at home.

Literacy

We continue Unit 2 in Module 2 this week. Students are learning about the steps of fossilization, and recording their thoughts with diagrams and words in their workbooks.

In small groups, students will continue to identify and use text features to understand a nonfiction text, and identify the main idea and supporting details of a nonfiction text.

We will study Letterland Unit 11 this week. The spelling patterns this week are the silent letters of kn, wr, mb, and gh.

Social Studies

We will conclude our short study of maps and reflect on the unit How We Organize Ourselves.
