Important Dates

Thursday, February 27 at 10:00: Parents Invited to our class Weather Watchers Presentations in the Cafeteria

Monday, March 2: Interim Reports go home

Monday, March 9: Teacher Workday

Thursday, March 12: 2nd graders field trip to the Durham Life and Science Museum

Curriculum this Week

Math

Students will practice 3 digit addition and 3 digit subtraction. An assessment of both types of problems will be given this week.

Literacy

This week, students will read and write about important details for the different stages of a plant life cycle.

We will study Letterland **Unit 16** this week with words that have the oo as in moon.

Science

Students will complete their Google Slides for their presentation, and practice speaking aloud to present their work. They will share their work on Thursday morning in the cafeteria.
